NDSS DNS Privacy Workshop 2021

This workshop is being recorded and has a code of conduct

Some Logistics:

- Please mute yourself during presentations

- Each talk will have a 5 min Q&A session at the end, and we have additional discussion time at the end of each session

- To ask/revoke a Question type '+q' or '-q' IN THE ZOOM CHAT
  - Either type your question and the chair will read it, otherwise we will ask you to unmute and ask your question

NDSS DNS Privacy Workshop 2021

Some Logistics:

- Please use the Zoom chat for questions only

- Use the SLACK Workspace channel #dns-priv-dns-privacy-workshop for all general discussion during the sessions

- We have 3 note takers using the notepads linked on website

- The Workshop has a Gather Town space for use in the break and social session "Toucan" room/Track B

- Twitter hashtags: #DNSPRIVACY21 and #NDSS21
